

Math 307 Homework

Put Your Name Here

Monday 25th January, 2016; 15:42

Assignment 0: Due 1/28/16

Problem i. What is the last math course you took? How do you feel about math in general?

Problem ii. What is the last writing course you took? How do you feel about writing in general?

Problem iii. What do you expect from this class?

Problem vi. Why are you taking Math 307?

Problem v. Is there anything else you would like to tell me?

Assignment 1: Due 2/2/16

Problem # of problem in book. Put your answer right in here.

In the future, just copy this notation, or for problems requiring you to prove a claim (most of them), you will want to use this:

Claim # of problem in book. Put what you need to prove in here.

Proof. Proof goes here. Repeat as needed
