1 Introduction

Kicking butt and taking names is a particularly interesting problem for academic study because I say so. If you disagree, I'll take *your* name and kick *your* butt.

1.1 And now, some Latin

Erat nulla et volutpat euismod iriure illum commodo? Sed vulputate, tincidunt sed volutpat... nisl exerci feugiat dolore lobortis vero tincidunt, ea adipiscing accumsan exerci, in feugiat minim. Dolore nostrud molestie lobortis veniam; euismod illum, consequatvel tation esse feugiat qui lorem commodo te, esse hendrerit exerci eros esse. Wisi praesent crisare consectetur enim odio feugiat et esse et blandit iriure. Nulla, velit enim — dolore eum magna qui facilisi et vero accumsan eu in wisi blandit luptatum feugiat nisl. Delenit, dignissim aliquam te consequat nonummy exerci ad iusto feugiat enim diam nulla, dolor in facilisis hendrerit duis molestie ut tation dignissim.

1.1.1 Well, not really Latin

2 Literature survey

Some authors claim that martial arts is not just about kicking butt [1]. My own observations suggest otherwise.

3 My work

In this chapter I present an optimised solution to the butt-kicking, name-taking problem, which is an improvement over what you saw in chapter 2 on page 4.

4 Conclusion

Just give me my degree; I'm outta here. If you don't, I'll kick *your* butt.

A How to kick butts

Regrettably, many people are unfamiliar with the proper technique for kicking butts. As originator of the Chun Kuk Do form of martial arts, I feel I am uniquely qualified to remedy this situation.
