UiO PhD thesis

A suitable L^AT_EX document class

**Thesis submitted for the degree of
Philosophiae Doctor**

2025

Chapter 1

The uiophdthesis document class

The \LaTeX document class **uiophdthesis** was created to facilitate the writing of your thesis according to the graphical guidelines of the University of Oslo.

1.1 More information

For more information on this document class and how to use it, see the following online resources:

<https://www.mn.uio.no/ifi/tjenester/it/hjelp/latex/uiophdthesis-guide.pdf>

is a short user guide for the document class.

<https://www.mn.uio.no/ifi/tjenester/it/hjelp/latex/uiophdthesis-demo.pdf>

is a demonstration showing how to use the document class.

<https://www.mn.uio.no/ifi/tjenester/it/hjelp/latex/uiotools-guide.pdf>

is a guide to the **uiotools** package with many useful definitions for writing your thesis, particularly if it contains a lot of mathematics.
